Target. We use these images for adequate security of the site, building and (personal) data. The recordings are deleted in accordance with, after 4 weeks. An exception to this is if an incident takes place. Then these images may be kept as long as necessary.

Privacy statement Getron Transport B.V. and Gifa B.V.

Rights of data subjects

Because we process personal data about you, you can contact us for the following requests

- Access to the personal data that we process from you
- adaptation or supplementing the personal data that we process from you
- deleting the personal data that we process from you, provided that this is not in conflict with legislation and regulations
- limitation of the personal data that we process from you, provided that this is not in conflict with laws and regulations
- transfer of the personal data that we process from you
- objection to the personal data that we process about you or the way we do it.

In all these cases you must request this in writing. We will process all requests. We aim to process these requests within two months. We are not in all cases obliged to comply with your request. If this is the case, we will explain this to you.

Providing data to third parties

We do not provide your personal data to third parties, unless you have given your consent for this, whether we are obliged to do so by virtue of the law or a court decision or if the provision serves the purposes of processing the personal data.

Storage period

We keep your personal data during our contract with you or as long as the data is necessary for the purposes. Personal data are retained for at least 7 years after termination of the agreement.

Security of personal data

We provide organizational and technical measures to protect your personal data.

Datalek

If a data breach occurs, it is recorded in the form of an NCR, after which immediate action will take place. It will be considered (possibly in consultation with the processing party) whether this is a case of a serious data breach.

If this is the case, a report will be made to the Dutch Data Protection Authority.

Change in this privacy statement

If necessary, we can adjust the privacy statement.

You can always check the correct version on our website.

Complaints

If you are not satisfied with the handling of the complaint, you can contact the Dutch Data Protection Authority. (www.autoriteitpersoonsgegevens.nl)
